

## **RWI CEO to Present at Industry Meeting with DWC Administrative & Medical Directors**

**For Immediate Release**

**Contact: Sharon Douglas CEO 619.954.7100**

**Escondido, CA (May 1, 2008)** - RWI's CEO, Sharon Douglas, is scheduled to present with California Department of Workers' Compensation (DWC) Administrative Director, Carrie Nevans, and Medical Director, Dr. Anne Searcy at the Council of Self-Insured Public Agencies (COSIPA) general meeting. The panel will provide a timely update on California Workers' Compensation to include Utilization Review (UR).

COSIPA is holding two meetings: one in Northern California, June 12, 2008 at the Embassy Suites, Walnut Creek and the other in Southern California, June 19, 2008 at the Radisson in Newport Beach. Ms. Douglas will present with Ms. Nevans and Dr. Searcy at both locations.

RWI is a full service integrated workers' compensation disability management organization, providing a host of substantial cost savings programs for insurance carriers, third-party administrators, and public and private self-insured employers. Specialized services include UR, Medical Case Management, Return-to-Work Programs, Ergonomic Intervention, Outplacement Services, Interactive Accommodation Process Facilitation, and Job Function Analyses.

RWI wishes to thank existing clients for their ongoing partnership and support. We also look forward to the opportunity to serve new clients.
